

# Online Public Access Catalog (OPAC)

How to access Books, Dissertations, Periodicals, etc.

1. Open the internet browser (fire fox or internet explorer).
2. You will be directed to the Online Catalog.
3. Select one of the following search criteria (*Title, Author, Subject, Series, Call number, ISBN and ISSN*).
4. Type the search term in the box provided (according to the criteria selected in No. 3 above).
5. Click Go.

6. The search results appear; click on the title of your choice.
7. Write the **call number** on a piece of paper.
8. Go to the exact shelf number indicated on the call number (See figure below).

Item type ▲	Current location ◆	Call number ◆	Copy number ◆	Status ◆	Date due ◆
